Hello –

Given the unprecedented situation we find ourselves in with COVID-19, and the “safer at home” order in the City of Los Angeles, appointments for reviewing records in person are unavailable.

Currently, there are two options for obtaining the documents requested. You can mail us a sealed/new flash drive to 818 S. Broadway #801 LA, CA 90014. It will be loaded with the electronic records and sent back to an address of your choice.

Alternatively, the BID can directly make available to you hard-copies of records via mail. The cost of copies is \$.15 per page. The cost of mailing will be determined once the manner in which you would like to receive the records is established.

The folder is 528 MB.

Please respond with your preference.

Thank you

Good afternoon, Ms. Leddy.

I will need to come in and copy these records as soon as possible. If for some reason you're not accepting visitors in the office then I hope you will comply with the law and make these electronic files available to me at no cost by some other means.

Please advise.
